

CRITICAL PARKING INFORMATION IF YOU ARE NOT PLANNING ON ATTENDING THE ENTIRE CONFERENCE!!

From: Ellen Legard
 Registrar's Assistant
 Star Island Corporation

As we move into "End of Season" on Star Island and your conference nears I would like to reach out to you (conference chairs and registrars) about parking.

We are not able to accommodate parking anyone who is not arriving and leaving with the conference. Conference Overnight Guests- which means any guest who is attending your conference for specific nights and not the entirety of your conference- must park offsite if they want their car to be accessible. We use the block parking style, and simply cannot guarantee moving cars to free a path for one to leave early. This is especially true with End of Season conferences, as the conference lengths vary and we have such a limited space to be working with in Portsmouth .

I understand that this can make travel plans more difficult, so in attempt to minimize the hassle I have found two other parking options that we recommend conference overnight guests and any guests who may need to leave early. Those two options are either the High-Hanover Parking Facility (<http://www.cityofportsmouth.com/transportation/hanover.htm>) just a five minute walk from our dock, or the Park & Ride lot at Grafton Drive on the Pease Tradeport which is a twenty minute ride from our dock. The easiest way to get from the Park & Ride to our dock and back is a taxi (I've included several numbers of trusted services below and know from personal use that most charge between \$15 and \$20 for this specific route). The other option to get from the Park & Ride to our dock is to ride the Pease Tradeport Trolley (Route 40) which does not run on Sundays, but I have included the schedule for weekdays and the schedule for Saturdays below.

TAXI COMPANIES:

1. Annie's Taxi (603) 531-9955
2. Great Bay Taxi (603) 326-8294
3. Portsmouth Taxi (888) 893-5103
4. Rockingham Taxi (603) 501-0960
